## EDEN GROWTH TRACK 1 Cor. 12:7-11

**Eden Growth Programme  
February—November  
2021**

# Aligning our gifts in the pursuit of freedom, is a precious gift?

“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms”.

1 Peter 4:10

- What is Growth Track?
- Is it suitable for me?
- How does it work?
- Am I equipped?
- Can I join Growth Track?
- What do I bring?
- Am I willing to learn?
- What is the level of study?
- Can I do distance learning?

## What Is Growth Track?

**Growth Track** is a comprehensive programme designed to equip those who call Eden home. We have a joint responsibility to be effective in bringing believers to godly maturity and usefulness in the kingdom. We provide a support structure which builds practical and ethical frameworks in serving our community. Whether you are curious about Christianity, or wanting a better understanding of kingdom living, then we have a group for you.

## EDEN GROWTH TRACK will equip you to act!

**Is it suitable for me?** Absolutely! Our focus is not academic, but the heart.

**How does it work?** We all have to start somewhere, and Growth Track has a starting point for every level of growth.

**Am I equipped?** We all benefit from the gifts and abilities in church life. Being aware of our own needs (spirit soul and body), is the starting point (discovery).

**Can I join?** Our purpose statement defines our business:  
**Know God—Find Freedom**  
**Discover Purpose—Make a Difference.**

It all starts with knowing God. Each course in our growth track, follows our purpose?  
*Do you know God? Are you free? Is your purpose clear? Are you making a difference in your world?*

**What do I bring?** Yourself! Whether free or paid course, resources are provided.

**Am I willing to learn?** All we ask is that as you participate, be open to learn and willing to consider.  
**Romans 12:2** *Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God’s will is—his good, pleasing and perfect will.*

**What is the level of study.** Our courses seek to impart life and challenge our understanding. As with any learning, the entry point is the place we feel best suited to.

**Can I do distance learning?** We are continually learning ourselves and developing new teaching methods. Some courses are online, but not all. Take a look online.

If you are new to Eden, then we suggest you talk to a team member or visit one of our small groups.

### WHAT IS FRIENDS OF VISION?

A small group programme shared over lunch, several times a year where we outline our D.N.A. A great place for newcomers to start off.

### WHAT IS ASSIMILATION?

A short programme which explains the ins and outs of church life and how to better connect with your God purpose.

### WHAT IS CLUB 180?

This is our foundational social group where we casually present the fundamentals of Christian life. Open to all.

### WHAT IS A CONNECT GROUP?

Once you feel comfortable with church life, we encourage you to join one of our small focus groups in order to better connect with us.

### WHAT IS A PURSUIT OF FREEDOM?

Finding freedom is an essential part of growing in purpose. Discover your gifts, your passion, and freedom from the fears which hold us back.
