Aligning our gifts in the pursuit of freedom, is a precious gift?

What Is Equip?

Equip is more of a discovery and preparation course, for those who evidence the gift to teach, and are willing to be taught how to effectively minister LIFE in a biblical and anointed way. This comprehensive course has been designed to equip those who identify with the gifts essential in teaching and preaching the word of God. The practical application will be in a small group or Sunday Church Service over the duration of the year. Each person is expected to lead a church defined teaching group.

EQUIP will activate the gifts in you to act!

EQUIP is about being aware of the needs around us (spirit soul and body), and being equipped to help.

Not everyone is gifted this way, so this course is not ideal for everyone. In fact applicants must be assessed and gifted to be enrolled and able to participate.

The curriculum requires:

- Homework
- Practicum
- Study
- Coaching
- Commitment

The semesters follow University terms (4), and completion of each term is a requirement to continue into the next term.

It is anticipated successful candidates will play a significant role in church life.

1 Timothy 5:17

Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine.

EQUIP will provide you with a healthy understanding of the privilege and responsibilities of imparting Gods Word. Those called to serve in such a way take on a greater responsibility than those who just hear. The pulpit or classroom, is a place which reveals the inner most thoughts of the heart.

Those having completed the spiritual gifts seminar, will have identified their gifting in the area of teaching and be looking towards investing their gifting's in this area of service.

WHAT IS EQUIP?

Held one evening per week for 90 minutes in a small group meeting. A full curriculum manual is provided for selected students.

IS THERE A COST?

DO I HAVE TO KNOW THE BIBLE WELL?
